

Sport 15-15.6" Rolling Laptop Backpack - Black

TSB700EU

Description

Targus' first Rolling Notebook Backpack combines the best of both worlds. At first glance you can see that it is a stylish, durable backpack with plenty of features but look a bit closer and you can see that it is also a roller. The TSB700 glides on in-line skate wheels and includes a 2-tier telescoping locking handle for easy navigation. A protective rear flap holds the shoulder straps in place when using it as a roller, then lower the flap to cover the wheels for greater comfort when in backpack mode. For additional convenience it has a handle grip on the bottom of the case that allows for easy lifting into your car or an airline overhead compartment. Other features include a padded, removable slip case for notebooks with 15" - 15.6" screens, top front pocket with protective lining for iPod/MP3 players, PDA or sunglasses, bottom front pocket with business card holder, pen loops and key clip, a main compartment with plenty of file and accessory storage, a large side pocket, even a side mesh water bottle holder. Stylish, practical and ready to go, this case has it all.

Features

- Padded, removable slip case fits notebooks with screen sizes up to 15 - 15.6"
- Handle grip on the bottom of the case allows for easier lifting into the car or airline overhead compartment
- Targus' first Rolling Notebook Backpack glides on in-line skate wheels and can be pulled by a 2-tier telescoping locking handle
- Rear protective flap holds shoulder straps in place so straps are secure when the case is used in roller mode; flap can be lowered and attached to the under-side of the case when in backpack mode in order to provide comfort for the user against the wheels
- Padded handle and shoulder straps for ease of transport
