Pro HD Webcam

POLISHED, PROFESSIONAL FULL HD VIDEO CALLS IN REMARKABLE CLARITY AND DETAIL.

The C920s Pro HD Webcam delivers remarkably crisp, clear and detailed images in vibrant colors. HD autofocus and light correction adjust to the conditions to provide consistently high definition, and the dual mics on either side of the glass lens capture the natural sound of your voice. The 78-degree field of view accommodates up to two people. A privacy shutter puts you in control of what you show and protects the lens with a snugly fitting cover.
