

Cypress 15.6" Security Backpack with EcoSmart® - Grey

TBB58802GL

Description

Made from recyclable materials on the inside and out. Using fabric woven from recycled 17 plastic water bottles, the 15.6" Cypress Security Backpack with EcoSmart® is thoughtfully designed to protect your work essentials while also protecting the environment.

Designed without any external pockets, the backpack is equipped with a single storage compartment that's intended to thwart would-be thieves. Built to fit 15.6" laptops, the pack features a dedicated padded pocket for your laptop and smartly placed interior mesh pockets to keep the rest of your gear organized.

To ensure easy transport, the pack has adjustable, ergonomic shoulder straps and a padded back panel for an over-the-shoulder carry, a comfortable top handle to carry in hand, and a pass-through trolley strap to seamlessly store on your rolling luggage.

The Bottle: Reborn

This bag was designed with the environment in mind. By using GRS-certified recycled materials, 17 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerized into plastic chips, then heated and spun into yarn that was woven, and sewn into the fabric of this EcoSmart bag.

Ergonomic Comfort

Designed for your everyday commute, we've made the Cypress Security Backpack with EcoSmart® comfortable to carry with airflow padding to maximize air circulation between the bag and your back, plus ergonomic, hinged shoulder straps.

Security-Savvy Compartments

We've eliminated temptation with a minimalist, pocket-free front and strategically placed pockets for your valuables. Keep your laptop safe, as it can only be accessed from the opening in the back, keeping it safe and sound while the pack is on your back.

Stable, Standup Good Looks

The ruggedized base is crafted from weather-resistant material to guard against dampness and delivers structural stability that keeps this pack standing tall when you set it down.

Features

- Made from 17 recycled plastic water bottles
