

epode

Pro USB Headset

Part. no. PX-HSUSB101

The ProXtend epode is a professional unified USB headset ideal for those working from home or on the road. With its simple plug and play design the epode is compatible with all Microsoft Windows and Mac systems, with integrated call buttons optimised for both Skype for Business and Microsoft Teams.

With Digital Signal Processing (DSP) technology, the epode suppresses echo and noise from connected devices, ensuring crystal clear audio both for you and the receiver. With its light-weight and premium design, you can comfortably keep in touch with everyone.

Features

- Plug and Play USB 2.0
- HD Audio Sound
- Noise Cancelling microphone
- DSP Technology
- In-line Audio Control
- Wide Compatibility
- Adjustable Headband
- Comfortable and Replaceable Ear Cushion

Specifications

Speaker sensitivity: $108 \pm 3\text{dB}$ (at 1 KHz 1mw)

Speaker impedance: WB: $32\Omega \pm 15\%$

Speaker max input power: 30mW

Speaker frequency range: WB: 100Hz - 10KHz

Microphone type: Uni-directional

Microphone frequency range: 100Hz - 10KHz

Microphone sensitivity: $-42 \pm 3\text{dB}$ (0dB = 1V/P_a,1KHz)

Speaker bandwidth music mode: WB: 100Hz - 10KHz

Speaker bandwidth speak mode: WB: 100Hz - 10KHz

Microphone bandwidth: 100Hz - 10KHz

Cord length: 210cm

EAN: 5714590008449
