

MPN: MS-CLONER-SATA

Cloner for M.2 SATA to M.2 SATA - Box includes USB-C Cable, Power Supply and user manual

The SATA M.2 dual slot docking station with clone function enables easy installation of two M.2 SSDs to be connected via the included USB-C cable to the PC or laptop. A fast way for expanding your storage, making backup or preparation of new data images.

The clone button function even enables you to copy the content of one SSD to another without using a PC, just plug the SSD's into the 2 M.2 slots and it can be used immediately without the need for tools or accessories.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 12 month Warranty
