Targus® ErgoFlip™ EcoSmart™ Mouse

Ergonomic & Ambidextrous

Sporting a molded textured ergonomic grip and six-button design, this mouse seamlessly switches from left-to-right with a simple lift and rotation of its top.

Simply Sustainable

With its shell made from up to 85% post-consumer recycled plastic and engineered to use low-energy Bluetooth® technology to reduce power consumption, this mouse is a smart choice for the eco-conscious user.

Gaming-Level Performance and Precision

Features smooth precision scrolling and a high-performance 4000 DPI BlueTrace sensor for innovative greater control and productivity.

Antimicrobial Protection

As an additional benefit, this mouse features DefenseGuard™ Antimicrobial Protection, which helps to create a cleaner surface by preventing the growth of microorganisms, and works continuously for the life of the product.**

Mouse
